

General Terms and Conditions of Autoservice Janosch (ASJ) Chauffeur- und Limousinenservice

§ 1 Contracting

In the case of booking by telephone, fax or email, the contract comes into being when ASJ sends a confirmation by email to the customer. The contract becomes effective upon confirmation by the customer.

§ 2 Prices

Our current pricelist applies, unless agreed otherwise with the customer in writing. The minimum hire time for booking a vehicle and chauffeur is four hours (excepting transfers).

§ 3 Payment

An invoice is made out at the end of the assignment and is payable by the customer within 10 days following receipt. ASJ is entitled to demand a down payment of 50% of the agreed price before performing the agreed services. If this down payment is not made before the service is performed, ASJ can refuse to fulfil the contract entirely. The customer has no claims whatsoever to damage compensation in such a case.

§ 4 Cancellations

Either contract party has the right to withdraw from the contract. The customer must pay 50% of the agreed price if the customer declares his withdrawal from the contract 24 hours before the agreed time of the commencement of the service. A cancellation charge amounting to 75% of the agreed price is charged if withdrawal is declared less than 24 hours in advance. The customer must pay the agreed price without deductions if the customer does not use the service without declaring his withdrawal.

§ 5 Liability

Inasmuch as insurance cover exists within the framework of statutory liability insurance, then ASJ shall be liable to the customer for damages within the scope of these regulations applicable in such a case. Liability in the case of trips with the customer's own vehicles is limited to the liability of ASJ for damage to property and losses up to a maximum of EUR 500.00 per booking. This applies also for persons working for ASJ, such as vicarious agents and lawful representatives.
